### Let's talk

Call your licensed Humana sales agent. They're ready to walk you through your options and help you enroll.

**Humana.**

## How your plan works

### Preferred provider organization

Preferred provider organization (PPO) plans give you the freedom to get care in or out of network. PPO plans often have higher premiums each month than health maintenance organization, or HMO, plans. However, copays and coinsurance can be more predictable.

### Using a PPO plan

- PPO plans may offer emergency coverage when you travel worldwide.
- You can go to any doctor, specialist or hospital that accepts Medicare and the plan terms—no referral from your primary care physician (PCP) needed.
- There may be higher cost sharing if you receive care from out-of-network providers, except for emergency care. In some cases, the costs are the same in and out of network.

# Understanding your Medicare options

To help you decide the best fit for you, here is an overview of Medicare options and what each one covers. **Follow these 2 steps to get started:**

Step  
**1**

**Enroll in Original Medicare—offered by the federal government.**

**Part A** helps pay for hospital stays and inpatient care.

**Part B** helps pay for doctor visits and outpatient care.

Step  
**2**

**After enrolling in Original Medicare, you can explore additional types of coverage—offered by private companies.**

**Option 1:** Choose a Medicare Advantage plan.

**OR**

**Option 2:** Add one or both of the following to Original Medicare.

**Medicare Part C (Medicare Advantage)** is made up of Part A, Part B and may include Part D (prescription drug benefits) as well as extra benefits like coverage for hearing, dental and vision.\*

**Medicare Part D** is a stand-alone prescription drug plan.\*

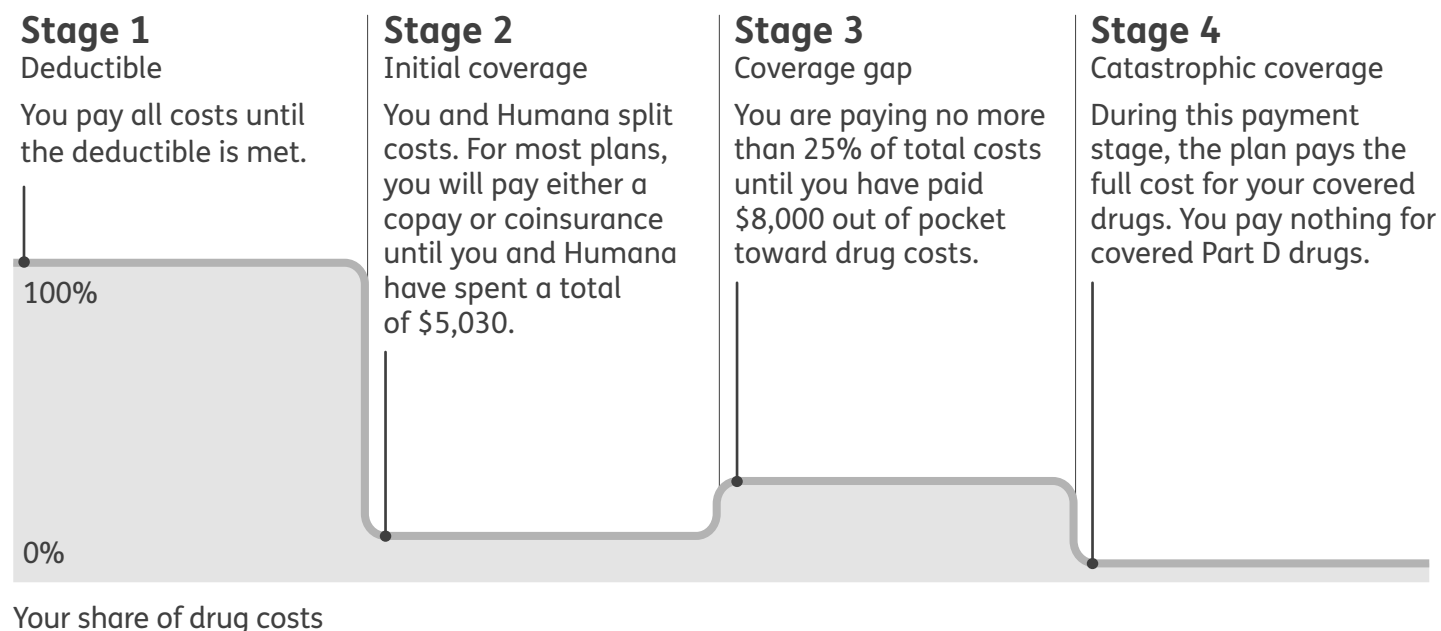

**Medicare Supplement insurance (Medigap)** plans help pay for some of Original Medicare's out-of-pocket costs for covered medical services.

\* If you don't enroll in Part D coverage when you're first eligible, you will generally pay a late enrollment penalty fee.

**Humana.**

# Understanding the coverage gap

Most Medicare prescription drug plans have a coverage gap. Once you enter the coverage gap, you may have to pay a higher percentage of drug costs for covered prescriptions. (Note that the information below only pertains to covered prescriptions and medication costs.)

## Stage 1: Deductible—you pay 100%

- A deductible is the amount you pay of your medication costs before your plan pays its share.
- Some plans may have a deductible that does not apply to all tiers.
- You may have a reduced deductible or no deductible depending on the plan you choose in your area.

## Stage 2: Initial coverage—shared cost with insurance company

- Both you and your insurance plan pay medication costs until the shared total drug costs equal \$5,030.
- You're generally responsible for copays and coinsurance during this stage.

## Stage 3: Coverage gap

- The coverage gap begins after you and your plan have spent \$5,030 for covered drugs, and it ends when your out-of-pocket cost reaches \$8,000.
- In this stage, you pay no more than 25% of the cost of brand-name and generic drugs.
- Any medication-related deductible, discounts you receive on covered brand-name drugs, coinsurance, copayments and the amounts you pay in the coverage gap count toward the \$8,000 limit.

## Stage 4: Catastrophic coverage stage—follows the coverage gap

- You enter the catastrophic coverage stage when your out-of-pocket costs have reached the \$8,000 limit for the calendar year.
- During this payment stage, the plan pays the full cost for your covered drugs. You pay nothing for covered Part D drugs.

# The Humana difference

Better care begins with listening. So that's just what Humana does. We listen to what you need and bring you support, with plan and benefit options to help you feel your best. There may be additional benefits beyond the ones listed here, depending on your plan and area. Going above and beyond for your whole health: That's human care.

## Find a Doctor with Care Highlight

Need help finding a doctor? Use our Find a Doctor tool at [Humana.com/FindADoctor](https://www.humana.com/FindADoctor). Many listings include a Care Highlight® rating. These ratings in clinical quality and cost-efficiency can help you make informed choices about your healthcare. Ratings only appear when we have enough information to measure a doctor's clinical quality and cost-efficiency.

→ Learn more at [Humana.com/CareHighlight](https://www.humana.com/CareHighlight).

## Humana Neighborhood Center

Humana Neighborhood Center® offers free online and in-person events like healthy cooking demos, health education classes and social events. Meet one-on-one with a Humana Health Educator or get insights into your Medicare plan with a Customer Care specialist. Services are offered in the U.S. and Puerto Rico.

→ Visit [HumanaNeighborhoodCenter.com](https://www.humana.com/NeighborhoodCenter) to learn more.

## Dental

Get dental coverage on every plan. Our dental coverage includes two free cleanings per year, a yearly exam and more.

## Vision

Our vision coverage includes eye exams and a yearly allowance toward eyewear such as lenses or contacts.

## Hearing

Our hearing benefits include routine exams and coverage for hearing aids.

Clinical quality and cost-efficiency ratings are available in all states except Alaska. Ratings are not available for all physicians. Care Highlight is intended for informational purposes only. Members have access to all physicians in the Humana network, regardless of whether or not the physician has a Care Highlight rating. Ratings should not be the sole basis for selecting a doctor. Humana does not give performance-based payments to doctors based on these ratings. Ratings do not guarantee the quality or outcome of healthcare services.

### Understanding Important Rules

- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2025.
- Effect on Current Coverage.** If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
- Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services, the provider must agree to treat you. ## More about HumanaChoice R4182-004 (Regional PPO)

Do you have Medicare and Medicaid? If you are a dual-eligible beneficiary enrolled in both Medicare and your state Medicaid program, you may not have to pay the medical costs displayed in this booklet and your prescription drug costs may be lower, too.

If you have Medicaid, be sure to show your Medicaid ID card in addition to your Humana membership card to make your provider aware that you may have additional coverage. Your services are paid first by Humana and then by Medicaid.

As a member it's a good idea to select a doctor as your Primary Care Provider (PCP). HumanaChoice R4182-004 (Regional PPO) has a network of doctors, hospitals, pharmacies and other providers. If you use providers who aren't in our network, you may be subject to higher copayments/coinsurance.

- **\$1.55** for generic/preferred multi-source drug or biosimilar; **\$4.60** for any other drug; OR
- **\$0** for all drugs

After reaching your annual **\$8,000** out-of-pocket limit, you will pay **\$0** for the remainder of the calendar year, regardless of the level of "Extra Help" you receive. Additional information will be available on your LIS rider.

Cost sharing may change depending on the pharmacy you choose, when you enter another phase of the Part D benefit and if you qualify for "Extra Help." To find out if you qualify for "Extra Help," please contact the Social Security Office at 1-800-772-1213 Monday — Friday, 7 a.m. — 7 p.m. TTY users should call 1-800-325-0778. For more information on your prescription drug benefit, please call us or access your Evidence of Coverage online.

If you reside at an in-network long-term care facility, you pay the same as you would at an in-network retail pharmacy. Under certain situations you may be able to get drugs from an out-of-network pharmacy but may pay more than you would pay at an in-network pharmacy.

# Care and communication on your terms

Your privacy and well-being are important to us. There may be times when you want a family member or friend to talk to Humana on your behalf.

To make that possible, you must first complete a consent for release of protected health information form. This form will allow you to choose a trusted individual who can have access to your protected health information. We would consider this person to be your family or friend caregiver.

This is not a power of attorney (POA). To have someone help you enroll or to request account changes or updates, you must submit a POA or other authorization under state law to allow them to act on your behalf. You can submit POA and PHI consent forms together.

**If you complete the PHI form and grant authorization to someone, we will consider that individual your caregiver who can:**

- Speak to Humana on your behalf about the plan—but may not make or request any account changes or updates (unless they are your POA or have other legal authorization from the state to act on your behalf)
- Keep track of your benefits and claims
- Get answers to healthcare coverage questions
- Receive helpful information and advice on caregiving from Humana

**How to get started\***

You have three options for completing and submitting your consent form.

1. If you have a MyHumana account or plan to create one after enrolling, you can complete a consent form online from the “Accounts & Settings” page.
2. Your agent can utilize one of our sales systems to help you complete a consent form electronically as part of your enrollment.
3. Complete the paper form included with this packet (after you have submitted your application and received your Humana member ID card).

You don't need to use this consent form to authorize an individual if you are also submitting a POA or other legal authorization for the same individual.

\* If you have previously submitted a consent form for this individual, you do not need to submit again at this time. We will notify you if your consent is due to expire.

# Scope of sales appointment form

It's important for you to understand the type of products that you can choose to discuss before your appointment with a licensed Humana sales agent. The Centers for Medicare & Medicaid Services (CMS) requires sales agents to document the scope of any personal marketing appointment 48 hours prior to the scheduled appointment, except for scope of sales appointment forms that are completed during the last four days of a valid election period for the beneficiary or for unscheduled, in-person meetings (walk-ins) or in-bound calls initiated by the beneficiary. All information provided on this form is confidential, and a separate form should be completed by each beneficiary who wishes to discuss plan options or their legally authorized representative. We look forward to speaking with you. The licensed sales agent who will discuss the products with you is either employed or contracted by a Medicare plan. They do not work for the federal government. This licensed sales agent may also be paid based on your enrollment in a plan.

Signing this form does NOT obligate you to enroll in a plan, affect your current or future enrollment status, or automatically enroll you in a Medicare plan.

## Stand-alone Medicare prescription drug plans (Part D)

### Medicare prescription drug plan (PDP)

This stand-alone drug plan adds prescription drug coverage to Original Medicare and some other Medicare plans.

## Medicare Advantage plans (Part C)

A Medicare Advantage (MA) plan provides all Original Medicare Part A and Part B health coverage and sometimes offers Part D prescription drug coverage (MAPD) and other additional benefits. There are different types of MA plans, such as:

### Health maintenance organization (HMO) plan

This type of MA plan typically requires you to see only in-network providers and get referrals from a primary care doctor.

### Preferred provider organization (PPO) plan

In most cases, on this type of MA plan, you'll pay less if you use in-network doctors. Referrals from a primary care doctor are not required.

### Private fee-for-service (PFFS) plan

On this type of MA plan, you may go to any Medicare-approved doctor, hospital or provider that accepts the plan's payment, accepts the terms and conditions and agrees to treat you—but not all providers will.

### Special Needs Plan (SNP)

This type of MA plan has a benefits package designed for people with special healthcare needs. Examples of groups served include people who have both Medicare and Medicaid, reside in nursing homes, and/or have certain chronic medical conditions.

## Other products

### Medicare Supplement

Medicare Supplement plans are standardized plans that can be bought with varying coverage options to help supplement your Original Medicare plan. While an MA plan takes the place of Original Medicare, a Medicare Supplement plan is simply added on to Original Medicare. Medicare Supplement plans have no provider networks and help pay some of the costs that Original Medicare does not pay. Medicare supplement plans cannot be held with an MA plan.

### Dental

Stand-alone Dental plans are available at varying levels of coverage at in- and out-of-network providers.

### Vision

Stand-alone Vision plans are available at varying levels of coverage at in- and out-of-network providers.

### Hospital indemnity

Hospital indemnity plans cover some of the costs associated with hospital stays that may not be covered by a primary health plan.

 Answering non-required fields is your choice. You can't be denied coverage if you don't complete them.

## Initial Enrollment Period (IEP) and Initial Coverage Election Period (ICEP)

- If Part A and Part B dates are the same, the election period spans 7 months: 3 months prior to the month you become eligible, the month you become eligible, and 3 months after the month you became eligible.
- If Part A and Part B dates are different, the election period spans 3 months: 3 months prior to the month of the later effective date (often Part B), only for enrollment into a Medicare Advantage (MA)-only plan or a Medicare Advantage prescription drug (MAPD) plan. If enrollment is for a prescription drug plan (PDP), check to see if the 7-month IEP may still be available.
- The coverage start date is based on factors such as Medicare entitlement and the submission of the completed enrollment form.

When inputting your Medicare Number on the enrollment form, print it exactly as it is on your Medicare card. N indicates a number, A indicates an alphabetic character, and E indicates either a number or alphabetic character. Medicare numbers will not start with a zero or contain the letters B, I, L, O, S or Z.

Enrollment periods may overlap. Ensure you mark any Special Election Period (SEP) oval that applies to you from the list of SEP statements on page 4 of the enrollment form. When enrolling specifically during an SEP, one of the SEP statements must be true to be eligible for an SEP. Agents, please refer to the Enrollment Options Job Aid (DMS-024) found in Humana MarketPoint University in Vantage if you do not see the SEP listed on page 4, or contact the Agent Support Unit for assistance.

## PLEASE READ THIS IMPORTANT INFORMATION

**If you currently have health coverage from an employer or union, joining Humana could affect your employer or union healthcare benefits.** You could lose your employer or union health coverage if you join Humana.

**By completing this enrollment form, I agree to the following:**

If I am enrolling in a Medicare Advantage health plan that has a contract with the federal government, I will need to keep my Medicare Parts A and B to stay in the plan. I must continue to pay my Medicare Part B premium. If I am enrolling in a Medicare prescription drug plan, I will need to keep my Medicare Parts A or B coverage. It is my responsibility to inform Humana of any prescription drug coverage that I have or may get in the future. **I understand that if I don't have Medicare prescription drug coverage, or creditable prescription drug coverage (as good as Medicare's), I may have to pay a late enrollment penalty if I enroll in Medicare prescription drug coverage in the future.** With few exceptions, I can only be in one Medicare Advantage health plan or Medicare prescription drug plan at a time. I understand that my enrollment in my selected plan may end my enrollment in another Medicare Advantage health plan or prescription drug plan. Enrollment in my selected plan is generally for the entire year.

I understand that when my Humana coverage begins, I must get all of my medical and prescription drug benefits from Humana. Benefits and services provided by Humana and contained in my "Evidence of Coverage" document (also known as a member contract or subscriber agreement) will be covered. Neither Medicare nor Humana will pay for benefits or services that are not covered. I will abide by the rules of my Evidence of Coverage. Once I am a member of Humana, I have the right to appeal plan decisions about payment or services if I disagree.

This Humana plan serves a specific service area. If I move out of the area that this Humana plan serves, I need to notify Humana so I can disenroll and find a new plan in my new area. I understand that Medicare beneficiaries are generally not covered under Medicare while out of the country, except for limited coverage near the U.S. border.

Once Humana has received my enrollment form, I may get a verification letter to make sure that I understand how my plan works and to confirm my intent to enroll. This is not a secondary plan to Medicare Parts A and B. Humana pays instead of Medicare, and I will be responsible for the amounts that Humana doesn't cover, such as copayments and coinsurances. Medicare Parts A and B won't pay for my healthcare while I am enrolled in Humana.

- If you are requesting membership in a **Private Fee For Service (PFFS)** plan, the following statement applies: I understand that this plan is a Medicare Advantage PFFS plan which may have prescription drug coverage built in. Before seeing a provider, I should verify that the provider will accept this plan before each visit. My doctor or hospital isn't required to agree to accept the plan's terms and conditions, and thus may choose not to treat me, except for emergencies. I understand that my healthcare providers have the right to choose whether to accept a PFFS plan's payment terms and conditions every time I see them. I understand that if my provider decides not to accept PFFS, I will need to find another provider that will. I understand that if my PFFS plan doesn't offer Medicare prescription drug coverage, I may obtain coverage from another Medicare prescription drug plan.
- If you are requesting membership in a **Chronic Condition Special Needs Plan (C-SNP)**, the following statement applies: I understand this plan is a chronic condition special needs plan. My ability to enroll is based on physician verification that I have the qualifying medical condition(s).
- If you are requesting membership in an **Institutional Special Needs Plan (I-SNP)**, the following statement applies: I understand this plan is an institutional special needs plan. My ability to enroll is based on verification that my condition makes it likely that either the length of stay or the need for an institutional level of care would be at least 90 days.

- I understand that I am enrolling into a Humana Medicare Advantage plan or a Humana Medicare prescription drug plan and not a Medicare Supplement, Medigap, Medicare Select or Medicaid plan.

The information on this enrollment form is correct to the best of my knowledge. I understand that if I intentionally provide false information on this form, I will be disenrolled from the plan.

**Release of Information:**

By joining this Medicare plan, I acknowledge that Humana will share my information with Medicare, who may use it to track my enrollment, to make payments, and for other purposes allowed by federal law that authorize the collection of this information (see Privacy Act Statement below).

**Privacy Act Statement:**

The Centers for Medicare & Medicaid Services (CMS) collects information from Medicare plans to track beneficiary enrollment in Medicare Advantage (MA) Plans, improve care, and for the payment of Medicare benefits. Sections 1851 and 1860D-1 of the Social Security Act and 42 CFR §§ 422.50 and 422.60 authorize the collection of this information. CMS may use, disclose and exchange enrollment data from Medicare beneficiaries as specified in the System of Records Notice (SORN) “Medicare Advantage Prescription Drug (MARx)”, System No. 09-70-0588. **Your response to this form is voluntary. However, failure to respond may affect enrollment in the plan.**

**Individuals experiencing homelessness:**

If you want to join a plan but have no permanent residence, a Post Office Box, an address of a shelter or clinic, or the address where you receive mail (e.g., social security benefit checks) may be considered and used in the residential address field as your permanent residence address.

### 2023 Medicare Star Ratings

#### Humana - R4182

For 2023, Humana - R4182 received the following Star Ratings from Medicare:

**Overall Star Rating:** ★★★★★☆

**Health Services Rating:** ★★★★★☆

**Drug Services Rating:** ★★★★★☆

Every year, Medicare evaluates plans based on a 5-star rating system.

#### Why Star Ratings Are Important

Medicare rates plans on their health and drug services.

This lets you easily compare plans based on quality and performance.

Star Ratings are based on factors that include:

- Feedback from members about the plan's service and care
- The number of members who left or stayed with the plan
- The number of complaints Medicare got about the plan
- Data from doctors and hospitals that work with the plan

More stars mean a better plan – for example, members may get better care and better, faster customer service.
