You can also get care from out-of-network dental providers but your costs may be higher, even for services with a \$0 copay.

# Here's how this HMO-POS plan works

**Get care from providers in the network** or visit out-of-network
providers for covered dental services.

Select a primary care provider to oversee and help manage your care. It's required by the plan, but it's also very beneficial for your long term health and well-being.

**\$0** copays for preventive services when received in-network. See the Summary of Benefits in this book to find out what is covered and how much you could pay for covered services.

A referral is needed to see a network specialist or other provider.

This plan has a maximum annual out-of-pocket amount. If you reach your limit, the plan will pay 100% of your Medicare-covered services for the rest of the plan year.

Emergency and urgently needed services are covered anywhere in the world.

Remember, you are not required to enroll in a Part D plan, but if you don't, you will pay a penalty equal to about 1% of the average monthly premium for each month you delayed enrollment. This must be paid monthly as long as you are enrolled in Part D.

Go to **AARPMedicarePlans.com** to search for a network provider using the online directories, review plan documents and so much more.

# **Important information:** 2023 Medicare star ratings

# **UnitedHealthcare - H4527**

For 2023, UnitedHealthcare - H4527 received the following Star Ratings from Medicare:

Every year, Medicare evaluates plans based on a 5-star rating system.

# **Why Star Ratings are Important**

Medicare rates plans on their health and drug services. This lets you easily compare plans based on quality and performance.

Star Ratings are based on factors that include:

□ Feedback from members about the plan's service and care
 □ The number of members who left or stayed with the plan
 □ The number of complaints Medicare got about the plan
 □ Data from doctors and hospitals that work with the plan
 More stars mean a better plan – for example, members may get

better care and better, faster customer service.

# **Get More Information on Star Ratings Online**

Compare Star ratings for this and other plans online at **medicare.gov/plan-compare**.

# Questions about this plan?
