Introduction

Thank you for considering a Medicare Prescription Drug Plan (PDP) from HealthSpring. **HealthSpring Assurance Rx (PDP)** and **HealthSpring Extra Rx (PDP)** are standalone prescription drug plans for those with Original Medicare. They help lower your prescription drug costs.

This Summary of Benefits provides an overview of our Medicare prescription drug plans in your service area. **HealthSpring Assurance Rx (PDP)** is available in all 50 U.S. states plus the District of Columbia and Puerto Rico. **HealthSpring Extra Rx (PDP)** is available in Illinois, New Mexico, Oklahoma, Puerto Rico and Texas.

To be eligible to join one of our prescription drug plans, you must:

- Have Medicare Part A and/or Part B,
- Live in the plan's geographic service area, and
- Be a U.S. citizen or lawfully present in the U.S.

For more information about Original Medicare, see the Medicare & You handbook:

- View it online at www.medicare.gov or
- Get a copy by calling **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. TTY users should call **1-877-486-2048**.

Plans to Fit Your Life.

It’s important to choose a Medicare prescription drug plan that supports your needs. And we understand that affordability, flexibility and convenience matter.

In 2027, you can choose from two plan options.

HealthSpring Assurance Rx (PDP) plan highlights

Affordability meets convenience, with benefits such as:

- **Basic coverage on commonly used drugs.**
- **\$0 or low cost-shares for many generic medications.**
- **Standard deductible.**

Tip: If you qualify for Extra Help, the Assurance Rx plan helps lower your monthly premium, deductible and prescription costs.

HealthSpring Extra Rx (PDP) plan highlights

More coverage and options, with benefits such as:

- **Flexible benefits with additional covered products.**
- **\$0 copay for many generic medications.**
- **\$0 deductible for Tier 1 and Tier 2 drugs.**
- **Supplemental benefits, including select vitamins, sildenafil and Renova®.**

No matter which plan you choose, you’ll enjoy the benefits that spring from a true health partnership.

- A dedicated support team.
- More than **60,000** in-network pharmacies made up of large and regional chains and independent pharmacies.
- Convenient Home Delivery pharmacy options.
- Tools and resources to make the most of your plan.

Plan Options Made Easy.

The table has ranges for the costs that vary by region. Refer to the **Premiums and cost-sharing** tables on the next pages to find specific costs by state.

Catastrophic Coverage	You will pay \$0 for covered Part D drugs once your total out-of-pocket costs reach \$2,400.					

Your prescription drug costs may change when you enter a new Medicare drug coverage stage.

For insulins that are covered by our plans, you will pay no more than **\$35** for each one-month supply. Additionally, you will pay **\$0** for each covered adult vaccine.

Do you get Extra Help? You may qualify for a \$0 or reduced premium, low copays and a \$0 deductible.

Your cost-sharing may differ based on which Part D coverage stage you are in, the pharmacy type or status (such as preferred/non-preferred, mail order, long-term care (LTC), home infusion), and whether you are filling a 30-, 60-, or 90-day supply. Some pharmacies may have day supply restrictions based on their dispensing policies.

For up-to-date information about our network pharmacies, including whether there are any lower cost preferred pharmacies in your area, please call **1-800-222-6700 (TTY 711)** or see the online pharmacy directory at **HealthSpring.com/Resources**.
